BEAUTY TREATMENTS

THE LASER LAB

SKOON SKINCARE LUXURY ALL ORGANIC AND NATURAL FACIALS .

GLOSSY SKIN ON-THE-GO R480

Ideally to create a natural glow on the skin. Specialized deep hydrating treatment, locking in the moisture to restore the skins natural healthy appearance.

SOOTH & SMOOTH BEAUTY AID R480

A unique professional treatment for the sensitive skin treating it with utmost tender care. Repair and restore the skins natural protective barrier with soothing natural botanical harvested components. Leaving the skin well hydrated with gentle calming effect that last to ensure a smooth, cooling skin condition.

MINERAL MAX RESTORE R480

Re-Balancing the over production of oil in teen skins and skin breakouts. Normalising and restoring this skin condition with selectively chosen minerals and healing agents.

MINERAL MAX RESTORE R550

Highly recommended and favourable treatment for the mature and dehydrated skin conditions. An Advanced Professional Treatment to combat all the environmental factors to de-age the skin, while replenishing all the moisture and nourishing levels.
